Joined by Regal Partners CEO Brendan O’Connor and VGI Partners Senior Analyst Shannon McConaghy, Phil will provide some perspectives on the current opportunities in the Asian region, his outlook for markets ahead and an update on VG8 portfolio positioning.

Throughout the Q&A-style discussion, Phil will also talk through some of the recent developments in the management of VG8, including the transition in portfolio responsibilities and recent capital management initiatives.

The webinar will enable investors to ask questions to Phil and we would certainly encourage attendees to submit their questions in advance to allow the team to respond to as many questions as time permits. This can be done via registering to attend the webinar below and submitting your question when prompted.

Many thanks for your continued support of VG8 and we look forward to speaking with you soon.
